Mill Hall Volunteer Fire Company

When emergency responders are called to a given location there can be a delay in response if crews are unable to clearly see the address. Even with technological locating advances there is a big difference for responders being directed to an address and actually locating that address when smoke is not visible.

IF WE CAN'T FIND YOU WE CAN'T HELP YOU !

To respond to this safety and potentially dangerous concern we are asking you to purchase a reflective address marker(s) for your home, cabins or business We are offering these reflective address markers at a very reasonable price to all the homes, cabins and businesses in our response coverage area.

REFLECTIVE ADDRESS MARKERS

FEATURES
- High visibility day or night.
- Durable reflective vinyl underlay.
- Bold reflective vinyl lettering.
- Fade resistant to last for years.
